

COLLEGE ATHLETICS NIGHT

Students and parents are invited to learn more about:

- How to promote your student athlete to colleges
- Pitfalls of social media
- Translating college letters and "coach speak"
- NCAA Eligibility Compliance
- Community College Athletics

OUR SPEAKERS

DON MITCHELL

President & Founder, College Baseball Advisors

Don Mitchell has extensive knowledge and experience in collegiate and professional baseball spanning more than 30 years. He has been a college and professional player, Major League Baseball Director of Scouting for the Arizona Diamondbacks and Atlanta Braves, Certified MLB Agent, College Baseball Head Coach, and College Athletic Director.

Don is currently the Founder and Lead Advisor for College Baseball Advisors, providing personal advice to athletes to promote themselves to college programs.

AMBER LONGHITANO

Athletics Counselor, Folsom Lake College

Amber Longhitano has been a community college counselor for over 6 years. She was an adjunct counselor in athletics for American River College and for CalWORKs at Sierra College. She has also taught human/career development courses for ARC since 2012. Longhitano accepted a full-time faculty position as Athletic Counselor for Folsom Lake College last fall 2017. Longhitano has her master's in counseling from Sacramento State and bachelor's in art history from UCLA.

MATT VINCENT

Associate Athletic Director for Compliance, CSU Sacramento State

Matt Vincent joined the Sacramento State staff in January 2018 as the Associate Athletics Director for NCAA Compliance. A native of Northern California, Vincent returns to his home state after serving as the Assistant Athletics Director for Compliance at Liberty University in Lynchburg, Va, where he was the primary compliance contact for men's basketball, men's soccer, field hockey, women's lacrosse, and women's tennis.
