

El Dorado Union High School District

English and Mathematics Summer Remediation

JUNE 3 – 20 OR JUNE 24 – JULY 16

Schedule and Location:

8:15 to Noon, Monday through Thursday. No school on Fridays.

El Dorado High School *or* **Ponderosa High School**
561 Canal Street 3661 Ponderosa Road
Placerville, CA 95667 Shingle Springs, CA 95682

Eligible Students:

District students finishing 9th or 10th grade who earned F, D, or C semester marks in Algebra 1, Geometry, English 1, or English 2. Students will be required to enroll in the corresponding session they wish to improve their grade (ie: if your student received a “D” in the first semester Algebra 1, they must enroll in the first session of summer school). Class sizes are limited to 28 students. If demand exceeds 28 students per section, students with the lowest academic performance will be given priority registration.

Academic Credit:

Students will be taught by credentialed teachers. Due to the limited class time, students will be eligible to earn B, C, and D marks. Students will not be eligible for A marks. The original course grade and the summer session grade received shall be entered on the student's transcript, but the student shall receive credit only once for taking the course. The highest grade received shall be used in determining the student's overall Grade Point Average (GPA).

Food Nutrition Service:

The cafeteria will be open 7:40 a.m. to 8:05 a.m. daily for food service. There will be no lunch service.

Please contact your school counselor for more information.

Complete the attached registration form and return to your school Counseling Office or the El Dorado Union High School District Office:

Attn: Sarah Green
4675 Missouri Flat Road
Placerville, CA 95667
