

# Leadership Newsletter

## CLOTHING DRIVE

The clothing drive was held in H-16 and H-17 on Tuesday, December 11th. There was a wide variety of clothes and shoes that the participants could choose from. Each student who participated and by their choice got entered into a drawing for Walmart and Khol's gift cards. Each room was put together by ASB and Leadership students

along with select staff members. Leadership sends their thanks to everyone who helped out with the clothing drive.

## DOOR DECORATING CONTEST

Thank you to all the teachers who participated in the contest. All of the doors looked amazing and it looked like the participants put some hard work in those doors.

Some students from Leadership helped decorate doors for some teachers.

**HAPPY HOLIDAYS!**

## NOTE FROM EDITOR

Happy Holidays! Wishing you a safe and fun holiday break. I personally like to stay home for the holidays, but if you are planning to travel for the holidays I wish you safe travels. The roadways are very harsh this time of year and I would be devastated to hear if anyone got hurt over the break. Please be safe and as always, have a wonderful vacation! Looking forward to the new year!
