

Join Us! Community Meeting

You are invited to attend a community forum to discuss solar installations at your local El Dorado Union High School District schools. The installations are part of a program that will save the District money, enhance the learning environment, reduce our environmental impact and help teach science topics to students.

We are committed to sharing information about the project, and answering your questions and concerns.

2/27/19, 5:30 PM, Oak Ridge High School, Library

2/27/19, 7:00 PM, Ponderosa High School, Library

2/28/19, 5:30 PM, Union Mine High School, Library

2/28/19, 7:00 PM, El Dorado High School, Library
