

Leadership's January Newsletter

This month's big headline: The honoring of former UMHS student and Marine, Sky Mote.

In an article by The Mountain Democrat, the writer states: " While deployed in Afghanistan in August 2012, his unit came under attack from an Afghan dressed as a police officer who attacked them from within their tactical operations center. Badly wounded, Mote exposed himself to more gunfire in an attempt to draw attention away from his fellow Marines and distract the shooter. "

In honor of
Staff Sergeant Sky R. Mote
for his bravery and selflessness.
SSGT Mote carried out the same core values
we strive to achieve at Union Mine.
This Marine and Diamondback will forever be
honored and recognized for his heroic acts.

Class of 2003

Union Mine Leadership starts the term off with a big change, and new members...

A HUGE thank you to UM's Administration for opening up space for a year-round clothing closet in H16. If students need shoes, jackets, shirts or pants - we got it! Just email Mrs. Zeiter-Smith rzeiter@eduhd.k12.ca.us for any student in need of assistance.

Current leadership students sorted through the remnants of Fall's clothing drive and donated 1, 813 lbs to California Clothing Recyclers. We earned \$181.03 towards next year's event!

Just a few of our dedicated, hard-working individuals here in Leadership working on posters for Back to School and 8th Grade Preview Night
