

March Newsletter

March's spotlight shines on the Sadie's spirit week, ending with the amazing black-out rally and dance on Friday. From Monday the 11th, to Friday the 15th, students (and teachers) dressed up for every spirit day that week. Included were days like Tinker Bell Tuesday (green with wings) and White-out Friday (white with glow-in-the-dark design) for the rally.

During the spirit week, there was a Super Smash Bros. Tournament going down in H-14 during lunch every day. Eight teams of 2 people joined up and smashed their opponents in competitive games. The winner, who coincidentally also hosted the tournament, brought pizza to thank the players in the tournament! (There also may be another happening in May)

Obviously we can't forget about the March Talent Show on Wednesday, March 20th. It was held during extended D-Back and took nearly the entire block. At the end of the show, our drama department came out and gave us a sneak peek of what to expect during Little Shop of Horrors, starting March 29. There were 13 acts in total.

UMHS Alumni Lunch was on Tuesday, March 19; and Tuesday; March 26. Union Mine alumni from different colleges and universities to advertise their schools. Tables for every school were set up along Union Mine Way. Mrs. Galbraith hosted the event, but kids from Leadership came and helped set everything up and made sure it went well.

The Sadie's Dance on Friday, March 15th was Disney themed. the music was awesome, the sound and lighting was perfect, and overall, everyone had a great time!

What's to Come
