4X4 BLOCK SCHEDULE

Via a four-by-four schedule, students experience 82 minute instructional blocks for an 18 week term; allowing them to complete a full year class in one traditional semester. This also gives them the flexibility to take a variety of subjects and explore areas of interest. Students experience a rigorous curriculum at UM and are easily able to meet graduation and UC/CSU requirements as well as a wide variety of AP courses, CTE courses and elective options.

CTE PATHWAYS

Career Technical Education courses are designed to provide students with the relevant real-world job skills needed to compete in today's competitive job market. These pathways include: Engineering, Agriculture, Computer Science & Culinary Arts.

Effective Communicators

Academic Achievers

~ INTERVENTION ~

PRIORITY PERIOD

In order to support all students, we offer tutorial 4x each week. The purpose of Priority Period is to ensure that all students have access to individual and/or small group instruction if needed. The class promotes students' executive functioning skills and academic growth.

Lifelong Learners

COLLEGE & CAREER READINESS

This course is designed to help all incoming freshman students improve their learning effectiveness, attitudes, and motivation, including time management, concentration, note taking skills, textbook study methods, test taking strategies, and critical thinking skills.
