YEARBOOK SIGNING

Saves The Day

**THE SCHOOL COMMUNITY MAY NOT BE TOGETHER,
BUT THE YEARBOOK SIGNING TRADITION IS SAFE AND SOUND!**

Students register for customized digital signing pages online and receive a unique URL to share with friends, inviting them to sign.

Classmates, faculty, friends and family can digitally sign the pages using their choice of font, color and stickers.

When complete, the pages filled with messages are emailed to the recipient. These printable pages will be treasured for a lifetime with the yearbook.
