valuable information, pertinent dates and deadlines, and numerous opportunities.

#### FRESHMEN COLLEGE AND CAREER PLANNING SESSION

We work with Freshmen in December and January through their health classes. Students are guided through the development of their four-year course plan which can be used as a working document for their high school classes. We review graduation and college requirements, and introduce students to available post-secondary options. Students are also introduced to Careers through the Career Interest Profiler.

#### SOPHOMORE COLLEGE AND CAREER PLANNING SESSION

Sophomores meetings are held in October and March through either English or History classes. Sophomores are introduced to the value of an education beyond high school via California Reality Check at <u>www.californiarealitycheck.com</u>. Sophomores also complete the 'Strength Survey' on Naviance which will show students strengths which they can use to match with potential careers and college majors that fit their strengths and interests

#### JUNIOR COLLEGE AND CAREER PLANNING SESSION

Juniors are met with twice per year, fall and spring, in September and February. When we meet with juniors we will discuss graduation and college requirements, SAT/ACT information, and timelines with students. Students will use the 'Career Interest Profiler' in the fall, and then will learn how to utilize the "College and Career Research" tools.

#### SENIOR COLLEGE AND CAREER PLANNING SESSION

We meet with Seniors in the fall of each year. Seniors are given information about various application processes and are given tools to figure out how to apply and where to apply. Seniors are encouraged to apply broadly to reach schools, good-fit schools, and back-up schools. Students will utilize Naviance for the "SuperMatch, Scattergrams, Scholarship Lists, and National Scholarship Search" tools. Students are encouraged to explore the resume program as well.
