THE RESPONSIBILITIES OF STUDENTS
AT
UNION MINE HIGH SCHOOL

Discipline Philosophy: The focus of the staff at Union Mine High School is to help students get the finest education possible, not to impose rules or discipline upon them. Every high school, however, just like every civilized society, must have rules and the means to enforce those rules to ensure everyone's safety and promote an orderly school environment.

The focus of Union Mine High School's discipline policy is the acceptance of personal responsibility for one's actions. When problems occur, every reasonable effort will be made to rectify them to the mutual satisfaction of all concerned. Students who choose to behave irresponsibly must expect to be held accountable for their behavior. Students who repeatedly violate other students' right to learn will not be allowed to remain at Union Mine High School.

Knowledge of the Rules: As a student at Union Mine High School you are expected to know and obey the rules and regulations of the school. As a young adult, you are responsible for knowing what is expected of you. Basically, what is expected is mature and responsible behavior. A careful review of this handbook, however, should help clarify more specifically what is expected of you.

Aeries Parent Portal

Aeries Parent Portal: The parent portal grade book is required by the EDUHSD for the reporting of student progress, achievement and grades. Teachers are expected to update grades for a regular classroom assignment within 48 hours. Larger projects and exams should be updated within 5 days of due date. This is a great tool for parents to monitor students' homework, projects, and upcoming exams. Please visit our home page and click on the link for "Aeries Portal" to access the log in page. If you need assistance, please contact the counseling office.

Attendance

Students are expected to cultivate habits of regular and punctual attendance. School attendance is mandatory for all students up to age 18. Should a student fail to clear an absence within **48 hours**, he/she will be given the appropriate number of detentions/Saturday schools. Calling the school or providing a note will clear the truancy and the assigned consequences. Parents are expected to report any absences to the attendance office on the day of the absence.

To report an absence, please call: (530) 621-4003 press 1.

Three Ways to Clear an Absence:

1. Call the attendance office on the day of the absence (621-4003, press 1)
State your name, your student's name, the date(s) of the absence and the reason for the absence.
2. Write a note with the same information as above. Make sure your student gives the note to the attendance clerk **on the day** they return.
3. When the school's automatic dialer calls your home, respond to the message with the same information as above (parent/guardian only).

Check-In Policy: Students arriving late to school **MUST** check-in through the Attendance Office with a note from a parent. Absences not cleared within 48 hours will be subject to discipline for truancy. Absences cannot be cleared after 48 hours and will remain a truancy on the student record for the remainder of the year.

Check-Out Policy: Students who need to leave school early must check out through the attendance office with a note from a parent. Leaving campus without properly checking out will result in a detention. Note: Students are not allowed in the parking lot at any time unless they are leaving campus with an early dismissal. Being in the parking lot without a pass granted by the assistant principals' office will result in being searched as well as a Saturday school.

Pre-arranged absences: Students who will be absent for five or more days **MUST** complete a pre-arranged absence form, available **ONLY** from the Counseling Office **several days in advance of the planned departure**. All work is due on the day the student returns to school. Absences extending beyond 2 weeks must be approved by the principal.

Hall Sweeps: Hall sweeps are conducted unannounced on a regular basis. *Students that are picked up in the sweeps will receive administrative detentions regardless of previous tardy history.*

Note: Students who are continually tardy, truant or picked up in hall sweeps are subject to SARB and or a behavior hearing that may result in a transfer from UMHS to an alternative site. In addition, other consequences for multiple tardies and truants may include: Saturday schools, principal conference or suspensions. Please be on time to every class every day.

Eighteen-Year Old Absence Excuses: When a student reaches the age of 18, he/she may request from their assistant principal the privilege of clearing legally excused absences by completing and submitting an eighteen-year old contract. This form may be obtained at the attendance counter. Once approved, eighteen-year old students may clear their absence by calling the attendance office any day they are absent. Should a student's attendance become irregular, the privilege of excusing one's own absences will be revoked.

Excusable Absences: Parents or guardians can clear a student's absence for the following reasons. There is a 48 hour window to clear all absences or absences turn into trancies.

A student's absence shall be excused for the following reasons:

1. Personal illness
2. Quarantine under the direction of a county or city health officer.
3. Medical/dental Appointments
4. Attendance at funeral services for a member of the immediate family
5. Jury duty in the manner provided by law.
6. The illness or medical appointment during school hours of a child to whom the student is the custodial parent.
7. Upon advance written request by the parent/guardian and approval of the principal or designee, justifiable personal reasons, including:
 - a. Appearance in court
 - b. Attendance at a funeral service
 - c. Observation of a holiday or ceremony of his/her religion
 - d. Attendance at religious retreats for no more than 4 hours during a semester
 - e. Employment interview or conference
 - f. Attendance at an educational conference on the legislative or judicial process
8. Participation in religious exercises or to receive moral and religious instruction in accordance with district policy.
 - a. In such instances, the student shall attend at least the minimum school day.
 - b. The student shall be excused for this purpose on no more than 4 school days per month.

Perfect Attendance: Recognition is given to students who have perfect attendance annually. Perfect attendance is defined as not missing any period for any reason (excused or unexcused) for the entire year. (School activities excluded.) Students are also recognized for having zero tardies in the term.

Make-up work: A total of two school days will usually be allowed to make up each day of excused absence. Students absent due to school-sponsored activities may be required by a teacher to make up work before the absence. A student who is absent on the day of a test may be required to take the test on the day of his/her return. If the absence falls on the day of an assignment due date that was known in advance by the student, the student may be required to submit the assignment on the day of the return. If sufficient make-up time is not possible at the grading period, the teacher may issue an "I" (Incomplete) grade. The student has a maximum of two weeks after the grading period to complete all incomplete assignments.

Truancy and Homework Policy: Students who miss schoolwork because of truancy or other deliberate actions should not expect to receive credit for the time missed, nor should they expect the opportunity to take any missed tests for credit.

[Attendance' continued on next page]

SARB: Student Attendance Review Board: Student who failed to improve after the SART meeting will be referred to the office of child and welfare to schedule a Student Attendance Review board Hearing (SARB). After the SARB hearing, the student will be referred to the District Attorney's Office and the Department of Human Assistance. A Student's driving privilege may be revoked and parents may be charged with violation of Penal Code 272 for contributing to the delinquency of a minor.

Unexcused Absences: An unexcused absence consists of all the following:

Vacation-Any vacation days during the school year are not excusable. We do not offer independent study contracts for pre-planned vacations.

Absences older than 48 hours that have not been cleared.

Missed class while student is on campus but without teacher permission (i.e. going to the cafeteria instead of going to class.)

Any absence without a doctor's note, if you are under the requirements of SARB

Automated Caller

UMHS has an automated phone system to notify student, parents/guardian of absences. UMHS must have a current home telephone number on file. When the automated attendance caller calls, students need to write down the recorded absences to verify with their teachers any possible marking errors and clear within 48 hours. Thank you for your cooperation in keeping our attendance data accurate.

Bicycles and Bike Cage Rules and Regulations

The bike cage is located on the east side of the Attendance Office. Students should secure their bikes with a quality lock and chain/cable at all times. Bicycles are not to be ridden on campus or in the hallways. Violation of this rule will result in a referral and the confiscation of the bicycle. It will only be released to a parent or guardian. *The school does not assume responsibility for the loss or damage to any bicycle brought on campus.*

Balloons/Flowers

Do not bring/deliver balloons/flowers/gifts to students during instructional time. Students are not permitted to have flowers or balloons in the classroom because they are distractions that have no educational purpose. If a student brings or receive balloons/flowers, they will be stored in the Main Office until the end of the school day. The school is not responsible for damages to or theft of these items.

Bus Passes

Bus passes can only be purchased from the district office.
Transportation questions? Call 530-622-5081, ext 7200 or 7249.

Della Burt (Cafeteria Manager) 1-530-621-4003 ext 4611

The Union Mine High School Cafeteria offers a full lunch menu as well as a-la-carte items. The cafeteria and the Snack Bar are open during lunch and snack break.

Free and Reduced Lunch Applications:

You must fill out a new form every year. Students must turn in all lunch applications to the district office to Kelly Parker. If you need support in getting your form to the district office please drop it off to the counseling office at Union Mine High School. Students must fill out the applications completely (all boxes that apply). Students should only complete one application. Please include all the students in the household. Students will receive their PIN in the mail from the district office. Students who have existing numbers and renew their application will be able to keep their original number.

Cafeteria Policies:

- Please wait your turn in line. If you are caught cutting you will be sent to the back of the line and given a detention.
- Only use your assigned lunch number. Do not give your lunch number to anybody. Using a lunch number that is not yours is considered theft and consequences will be assigned accordingly.
- Do not take food or drinks without paying for them.
- Do not under any circumstance throw food on campus or in the cafeteria. Clean up and consequences will be assigned.
- Please help us to keep our Cafeteria clean. Pick up after yourself. If you are caught leaving your food mess, you will help clean the entire cafeteria after lunch is over.

Snack and Lunch Areas:

Students may enjoy lunch both inside the cafeteria and in the designated lunch areas.

Cheating

Cheating is detrimental to an effective education and will not be tolerated. Consequences may include an “**F**” on the assignment, parent notification/conference, suspension, and/or failure of the class. Cheating includes sharing your work with others, copying someone else’s work, submitting someone else’s work with your name and plagiarism.

Closed Campus

Students must remain on the campus until their school day is completed. Students may only leave campus with both parent permission and an off-campus pass from the Attendance Office. Students may not leave the campus during lunch period without specific written permission from the administration. Violation of this rule will result in assignment of detention or Saturday School. Students who drive other students off campus will receive a Saturday school for the first offense. Repeated incidents may result in suspension. ***Students who are in the parking lot or out of bounds without a pass will be searched and receive either a Saturday school or suspension.***

Confiscated Items

Confiscated items are kept in a locked drawer in the Assistant Principals’ office. Students and or/parents (when required) can pick up the items. **All electronic devices confiscated must be picked up by a parent or guardian.** Electronics are not returned directly to students.

Dances

Union Mine students enjoy school dances as part of the school philosophy of an extensive extracurricular program. The following guidelines will ensure continual success in these activities:

- All fines must be paid or cleared 24 hours before the final day of ticket sales. A current Union Mine I.D. card is required to purchase tickets. Students and guests must present a picture I.D. to be admitted to dances.
- Students will conduct themselves in a socially acceptable manner in dress and actions. All students will be issued a wristband upon entering the dance. Violations of dance policy will result in a warning and the removal of the wristband. A second violation will result in removal from the dance. (See #3 below)
- Students removed from a dance for any infraction are prohibited from attending the next school dance, even if the next dance is in a subsequent school year.
- Students who plan to bring a guest to a dance must obtain a guest application from the Activities Director and return the completed form at least one week prior to the date of the dance. The student, the parent, and an assistant principal must sign it. A guest is the responsibility of the inviting student and must follow school regulations while on campus. Students' guests must be enrolled in high school. Guests are allowed at the Homecoming, Sadie's, and Prom dances. Students who bring a guest assume discipline consequences for that guest.
- Friday dances will be open to UMHS students only. Friday dances start at 7 p.m. and end at 10 p.m. The deadline for arriving at a dance is 8 p.m. No one will be admitted after that time.
- Students or guests who leave the dance will not be readmitted, and must leave campus immediately. Students and guests must leave the dance and the school grounds immediately after the dance is over (10 PM for UMHS Friday dances and 11PM for Saturday dances).
- For Homecoming, Sadies, and Prom dances, guests who are over 20 years of age must meet the following requirements:
- Host students must fill out and return a specialized application for a guest pass from their assistant principal a minimum of one week before the dance date. After research, the school reserves the right to deny a guest pass.
- Guest passes may only be purchased by the person bringing the guest.
- We expect parents to pick students up from the school dances in a timely manner. (Students who are not picked up within 15 minutes of the dance ending will lose the privilege of attending the next dance).

[Continued on next page]

- No back-to-front dancing.
- When facing your partner, at least a hand's distance must separate partners.
- Partners may slow dance in a hug position; however, this must be appropriate.

- No wrapping of one's legs around another person.
- No grinding, touching, or rubbing another person in a distasteful manner.

Consequences:

D-Back

Defiance

Defiance is the refusal to obey lawful authority. Students at Union Mine who defy any member of the school staff may be suspended. Teachers and other members of the staff are required by district policy and state law to provide supervision of students. They can only do this if the students are willing to follow directions. It is essential, therefore, that students acknowledge the lawful authority of school officials.
