UNITED SPORTS TRACK & FIELD EVENT

Leadership helped plan and run Union Mine's first annual United Sports/Special Olympics Track & Field event on Friday, May 4th. There were food trucks and activities such as face painting, corn hole games, and bounce houses put on by clubs on campus. All of the 42 athletes gave it there all in the competition and were very successful! We are very proud of all our athletes and we are very thankful to all of those who helped leadership make this happen. Please keep an ear out for this event next year as it will be bigger and better and we can always use more help!
