

Union Mine High School 2023 AP Exam

Registration Information with Total Registration & College Board

Taking the Advanced Placement exams is an important part of all AP courses. Union Mine High School encourages all students to take AP exams for the AP classes in which they are enrolled. Scoring well on an AP exam can often earn students college credit, enhance the college application and save a significant amount on tuition.

For the 2023 AP exams, students will register online. **This will be a two-step process.** The registration will take a few minutes and can be completed from any computer with internet access.

This year each AP exam will cost \$97.00. During registration, students have the option to pay for the exam(s) in full or place a \$40 deposit per exam. Students requiring financial assistance should contact Mrs. Martin by email, vmartin@eduhds.k12.ca.us, or visit the Union Mine Counseling Office to learn more.

Step One: Go to www.myap.collegeboard.org, sign into your student account, and join your AP Classroom(s).

NOTE: Joining the College Board AP Classroom **does not** order the student an AP Exam. Total registration must be used to order and pay for each exam.

Step Two: Online Exam registration to pay for your exam will begin on Monday, September 12, 2022 at 8:00 AM and end on Wednesday, March 8, 2023 at 11:59 PM. To order, students should use the link provided on the school website or visit www.TotalRegistration.net/AP/050819 to purchase the exam. **We strongly recommend that a parent and student are both present while registering to ensure that the correct exams are ordered and the STUDENT name is entered correctly.**

Please be sure to have a credit card or debit card available before beginning registration. Student/Parent will choose whether to pay their entire balance without an additional fee or make a partial payment for a fee of \$2.75 charged by Total Registration.
